

15 Things To Do This Weekend (Feb. 16-Feb. 18)

3 years ago on this day we were forecasted to get 8-10 inches of snow and we got almost 2 feet of snow with snowdrifts approaching 3 feet or more. So looking at the this weekend's weather is pretty fantastic. We'll start out with a high of 52 degrees though breezy, cloudy and some showers – better than snow measured in feet. Saturday will dip down into the mid 30s which would be typical for this time of year, then Sunday it'll warm up to 45 degrees, but we'll start the day with “a bit of morning snow.” Altogether, not that bad!

<p>FRIDAY FEB 9</p>  <p>34°/28°</p> <p>Some sun, then turning cloudy</p>	<p>SATURDAY FEB 10</p>  <p>50°/40°</p> <p>Mostly cloudy</p>	<p>SUNDAY FEB 11</p>  <p>51°/38°</p> <p>Rain; fog in the morning</p>
