

15 Things to do this Weekend (May 01 – May 03)

The forecast for this weekend is an absolutely fabulous one. The only “blight” on the weekend in terms of weather is that Friday will be mostly cloudy with an overnight low of 36 degrees. That’s as bad as it gets. Sunday will be the best day we’ve had since last year: 66 degrees and “plenty of sun.” So, pack up the loved ones and hit the road to enjoy the many goings-on in the South Coast and beyond!

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month.
