

16 Things To Do This Weekend (Apr 25-Apr 27)

Don't let the general weather this weekend intimidate you and hold you back from enjoying the many activities and events taking place on the South Coast. Unless you are the wicked witch of the West, you shan't melt! Saturday will be rain and pretty darn breezy, and Sunday will have a shower here and there. If you feel like you may have a little witch in you and might melt, there are plenty of indoor activities you can enjoy. Regardless, it appears that good temperatures are here to stay and we'll enjoy 50 degree temperatures all weekend and Sunday we'll approach 60 degrees.

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month. The event calendar is FREE, so if you are a local business, and not taking advantage of FREE publicity, shame on you! Are you a local business and want to sponsor this high traffic, weekend guide? Contact info@newbedfordguide.com for more details. Have an event to add? Check out our tutorial. For more info, you can click on each title. Know of another event this weekend? Post a reply!
