

20 Things to do this Weekend (Oct. 17-Oct. 19)

Finally a weekend without rain! Friday and Saturday could not be more pleasant days conducive to hitting the road and partaking of the many fun, family-oriented activities in the region. It'll average 70 degrees on these two days and evenings will be cool, especially overnight Saturday. Sunday will change dramatically, but still not bad. 53 degrees, mostly sunny – however, a low of 32 degrees!! Sunday will call for turtlenecks...sorry, wrong decade. Sunday will call for thermals, sweatshirt or a warm “hoodie”!

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month.
