

Adopt A Block Monte's Park (Bay Village)

United New Bedford will be serving all in need in the Monte's Park area with basic groceries, toiletries, and resources. SouthCoast Health Van will be present providing free health screenings. NB Homeless Advocates will be providing free clothing to those that need it. Help us spread the word as we look to build up our city one block at a time. Folks can help by volunteering and or donating by emailing admin@unitednbma.org or visiting our page www.facebook.com/unitednbma
