

Bishop Stang Sophomores Present at Regional Science Fair

Back Row: Ryan Torres (New Bedford), Charlie Markert (Portsmouth, RI), Francesca Marini (Sagamore Beach), Mary Lyn Sullivan (Portsmouth, RI). Middle Row: Emily Audycki (Dartmouth), Emily Brigham (Tiverton, RI), Kathryn Gallison (Portsmouth, RI) Front Row: Misha Dubuc (Bristol, RI)

Sophomore Bishop Stang students participated in the 53rd Annual BCC/Rensselaer Region III Science & Engineering Fair this past weekend (March 7, 2015). Students presented their science research projects that had been created for their science classes. Students will find out the winners at the awards ceremony this week (Thursday, March 12) with the possibility of moving to the State Science Fair in Boston.

Join us in congratulating the students that presented at the regional level. Thank you for helping to celebrate our news.
