

# Brockton State Representative Michelle DuBois tips off community to ICE raids

Immigration is the biggest topic in America at the moment. Donald Trump's policies on immigration and Attorney General's latest announcement to withhold federal funds from sanctuary city and states is all the buzz on social media. In a controversial move this morning, **10th Plymouth State Representative Michelle DuBois** posted to Facebook **tipping off anyone undocumented in America and living in Brockton to stay in your home**. She learned from a friend that ICE was conducting raids in Brockton.

ICE raid in Brockton on 3/28.

I got the following information from my friend in the Latin community:

"I have a message for the immigrant community of Brockton. Please be careful on Wednesday 29. ICE will be in Brockton on that day.

If you are undocumented don't go out on the street. If there is a knock on the door of your house and you don't know who it is, don't open the door. I ask you to be careful."

She doubled down with this post:

**WHAT TO DO  
IF ICE COMES TO YOUR DOOR**

 **DO NOT OPEN DOORS**  
ICE cannot come in without a signed warrant by a criminal court judge. They can only come in if you let them.

 **REMAIN SILENT**  
ICE can use anything you say against you in your immigration case so claim your right to remain silent!  
\*Say "I plead the fifth amendment and choose to remain silent".

 **DO NOT SIGN**  
Don't sign anything ICE gives you without talking to an attorney.

 **REPORT & RECORD!**  
Report immediately: UWD hotline 1-844-363-1423.  
Take pictures & video unless you're on federal government property.  
Take notes of badge numbers, number of agents, time, type of car and exactly what happened!

 **FIGHT BACK!**  
Get a trustworthy attorney & explore all options to fight your case. If detained, you may be able to get bail - don't give up hope! Join your local team to defend yourself from enforcement!

What do you think? Should elected officials be tipping off people to ICE raids? Telling people to make it harder for ICE to perform their duties? Here is what the ACLU says you should do if ICE comes knocking: <https://www.aclu.org/know-your-rights/what-do-if-immigration-agents-ice-are-your-door>
