

9th Annual Fishermens' Tribute Fund 5K Road Race/Walk

9th Annual Fishermens' Tribute Fund 5K Road Race/Walk will take place at Fort Taber on Sunday, July 20th 2014 at 9:00AM.

Since 2004 meetings have been held to create a monument to honor fishermen lost at sea, as well as those who work hard everyday, and those that will follow the same path in the future. All of which help make New Bedford the #1 port in the country, and significantly boost the local economy.

Fishermens' Tribute monument with sculptor Erik Durant

Our goal is to create a modern day tribute to honor all men and women—past, present and future—within the fishing industry, especially those who have lost their lives in pursuit of their profession. Fishermen, through their courage, dedication and sacrifice, have been the cornerstone of our community. Creating a tribute to the fishermen of our community...past, present and future.

Our group is making great strides, but there is much work to be done. We have received approval from the City of New Bedford for a prime piece of property on the land known as 'Monkeys Island', located on East Rodney French Blvd., overlooking the entrance to New Bedford's outer harbor. Without our communities support that can not be accomplished; this monument is in honor of all fishing families.

The Fishermen's monument is currently in its final stage, yet we still have a lot of work ahead of us.

Please consider participating in our Road Race/Walk, providing a raffle and/or donating to our event or purchasing a stone that will be part of the design of the new Fishermans Tribute Plaza on East Beach.

AHA! Night: “Don’t Throw It Away!” with Ruth and Abby, the 1850s ladies

AHA! is coming!

The idea of recycling may seem very 21st century, but the idea of not wasting useful materials was common in the 19th century. Join Ruth and Abby, the national park’s 1850s ladies on AHA! (Art, History, Architecture) night for “Don’t Throw It Away: How to find a second life for items that you might otherwise throw away. AHA!’s theme for this month is Sustainable Southcoast. This event takes place on Thursday, April 10, from 6:00-8:00 PM, at New Bedford Whaling National Historical Park’s visitor center, 33 William Street, downtown New Bedford. As always, the event is open to all, and admission is free. For more information about AHA! night, go to ahaneewbedford.org/.

17 Things To Do This Weekend (Mar 28-Mar 30)

Weather wise there is good news and bad news. The bad news is that it's going to rain off and on all through the weekend. Friday will have showers, Saturday will have afternoon rain and Sunday will have more rain. March showers bring...wait...that's not right. The good news is that it'll be in the 50s for Friday and Saturday. The coldest day is Sunday and I'm not so sure 41 degrees qualifies as cold. Brisk? Mild? Regardless, this is fantastic weather when you compare it to the Winter we've had thus far! If there's no threat of 10 inches or a blizzard, I'm excited!

As always, click on the title for more or detailed information on the event. Most of the events were pulled from our [event calendar](#) where you can find hundreds of local area events each month. The event calendar is FREE, so if you are a local business, and not taking advantage of FREE publicity, shame on you! Are you a local business and want to sponsor this high traffic, weekend guide? Contact info@newbedfordguide.com for more details. Have an event to add? Check out our tutorial. For more info, you can click on each title. Know of another event this weekend? Post a reply!
