

# City of New Bedford has roadwork sites for the upcoming week of Feb. 10 – Feb. 14, 2020

The City of New Bedford has roadwork sites for the upcoming week of February 10, 2020 – February 14, 2020 and they are as follows:

## **Eversource:**

- Eversource will replace the gas mains at the following locations: There will be no services tied into the new mains until after April 1, 2020 as a precaution of the winter season.
- Fair St. from County St. to Orchard St.
- Woodlawn St. from Brock Ave. to West Rodney French Blvd.
- Clifford St. from Ashley Blvd. to Acushnet Ave.
- Myrtle St. from Cedar St. to Sawyer St.
- Summer St. from Studley to Locust St.
- Rounds St. from Arnold St. to 141 Rounds St.
- Johnathan from Arnold St. to 57-59 Johnathan St.
- Commonwealth Ave. between Kempton St.- Claredon St.

## **Other:**

- Contractor working at Dias Field to install new foul poles.
- Contractor working at Hazelwood Park for new power supply and upgrades to parking lot lighting.
- The Contractor is scheduled to excavate test pits on Tarkiln Hill Rd from Kings Highway to Worcester St. Traffic lanes may temporarily reduce to one lane with alternating traffic at times during this work.
- Contractor will continue water and sewer replacement along Cottage St between Parker St and Sycamore St. During working

hours, Cottage St. may be closed to thru traffic with access by local traffic only at times. Southbound traffic will be detoured via Pope St. North bound traffic will be detoured via Campbell Street or Willis Street. Detour signage, police details and traffic controls will be in place.

- Contractor is scheduled to continue construction of the new pumping station and installation of the site utilities at the Front St./ Elm St. site. Elm St. between JFK Memorial Highway (Route 18) and Macarthur Drive will be closed to westbound traffic. Westbound traffic will be detoured via MacArthur Drive. There will be detour signage and traffic controls in place.

- Contractor will continue scheduling appointments and will have technicians visiting various locations throughout the city to replace meters and meter interface units (meter readers). There will be no traffic controls for this work.

- Department of Public Infrastructure will be filling potholes on a continuous basis throughout the city.

- Please see the City of New Bedford website for additional street closings due to Special Events.

- Department of Public Infrastructure conducting its annual street sweeping program city-wide.
