

Dartmouth Police Officer takes job to “whole new level,” becomes snake wrangler

“Though we are used to catching a snake or two while doing this job, Officer Canario took things to a WHOLE new level this afternoon, when he removed this actual snake from inside of a resident’s home ??

Though Steve wanted to keep it as a pet, he relocated the snake to a nice wooded area where it can make a home of its very own ?.

Great job Steve ??”-Dartmouth Police Department.
