Believe it or not, summer is right around the corner, which means it is time to think about Camp!

Once again, the Ocean Explorium will host two week-long summer camps, one in July and one in August. The first week, July 14 – 18, is themed “Corals, Crustaceans and Clown Fish” while the second week, August 4 – 8, is themed “Stingrays and Sharks of the World”.

Camps are open to children aged 6 – 8 (Junior campers) and 9 – 14 (Senior campers). Full-day camp is from 9 am until 4 pm,

Monday through Thursday (Friday is Beach day, from 9 until 1). Half-day camp is an option, from 9 am until 12:30 pm, Monday through Thursday (Friday is still Beach day, from 9 until 1). A Member Discount is available, as is an 'Early-Bird Special' for registrations received and paid in full before May 15, 2014.

Ocean Explorium campers in the past had a wonderful time, which one parent described as "Learning, cleverly disguised as fun". Parents who are looking for engaging, immersive experiences for their children are welcome to visit the website, [oceanexplorium.org](http://oceanexplorium.org), or call the office, 508.994.5400, for more information or to register.
