

# Fairhaven man seeks public's help in clean up at Fairhaven's inner harbor

"This trash sits at Fairhaven's inner harbor, just to the right of Moby Dick Marina.

I am looking for about 8-10 concerned Fairhaven residents that would like to assist me in removing this from our beautiful shoreline.

I have scheduled the clean up for Sunday, during low tide, October 11th, from 7:45 to 9:45 AM. Just wear gloves and boots. I will provide bags and items needed. Please wear a mask." -[Russ Wotton].
