

After suspected fatal overdose, Westport Fire Department reminds residents of free Narcan

“It’s been a busy week for our firefighter/paramedics. Unfortunately, one of the many calls we handled, was a suspected fatal opioid overdose.

We wanted to remind our residents that through a grant funded program, we have doses of Narcan available, free of charge and while supplies last at either fire station. Just stop in and a staff member will assist you.

All interactions are confidential and no personal information is obtained or required.”-Westport Fire Department.

Anyone can get Narcan at anytime

The Westport Fire Department has a supply of Narcan that the public can obtain. Narcan is available at both Station 1 and Station 2 day or night while supplies are available.

Central Village

(Station No. 1)

54 Hixbridge Rd

Westport, MA 02790

North End

(Station No. 2)

85 Briggs Rd

Westport, MA 02790
