

Gomes Elementary School PTP will host spaghetti and family math night

The fundraising Spaghetti Supper and Family Math Night is Thursday, March 12, from 5 p.m. to 6:30 p.m.

A.J. Gomes School will host a PTO-sponsored Spaghetti Supper, to raise funds to replace the school's playground, which was lost to fire several years ago.

The Spaghetti Supper will be held in conjunction with an interactive Family Math Night, featuring food-related math activities for all grade and appetite levels.

Tickets for the supper are \$5 for adults, \$4 for seniors and \$3 for children and will be sold at the door.
