

March Schedule for Community Health Screenings and Vaccinations

The Southcoast™ Health Van announces the March schedule for community screenings and vaccinations.

Free mobile health services available by the Southcoast Health Van staff include:

- Cancer screenings & education
- Blood pressure screening
- Cholesterol screening
- Teen resource information
- Glucose (diabetes) screenings
- Nutritional information and education
- Health education services
- Medical physician referral
- Vaccinations

Please note that screenings sponsored by the Southcoast Health Van are sometimes held at community locations and not always on one of the vans. Look for signs when arriving at a location if you do not see the van outside. If you plan to donate blood, please remember to bring two forms of identification. For more information and to schedule free screenings please call Susan Oliveira, RN, at 508-679-3131 Ext. 2740 or email oliveiras@southcoast.org.
