

Holiday cheer, PBIS, generous gifts, and the New Bedford Fire Department come together at Winslow Elementary School

“Big Thanks to the New Bedford Fire Department for taking an aerial photo of the Winslow Students and Staff ???.

They were so thankful for the generous gifts Winslow Families donated.

Pictures include our PBIS ((Positive Behavioral Intervention and Supports) Ambassadors of Kindness and our students that helped Mrs. Paula Correia draw the ? on the blacktop.

The PBIS Team looks forward to working with more members of the community to help teach Winslow students the importance of giving back to our community. ♥️” -Kris Nightingale Pires
