

Marion Fire/Police Department, EMS, use “Jaws Of Life” after rollover accident

“Marion Fire/Ems responded to Rt. 6 in the area of the ‘S’ curve for a rollover crash.

The occupant was still trapped in the vehicle on arrival. Firefighters had to use hydraulic tools (Jaws of Life) to remove the patient. EMS then transported the person to the hospital.

Responding Units:

- C-1
- A-1
- E-3
- E-2
- S-1
- Marion Police

Job well done by all members who responded so quickly and worked professionally and proficiently.” -Marion Fire/EMS.
