

# Multiple Massachusetts Fire Departments respond to plane that crashes into Merrimack River

"Yesterday around 2:15 PM the North Andover 911 Communications Center were alerted by the Lawrence Municipal Airport Air Traffic Control Tower of a plane crash in the Merrimack River behind the Amazon complex.

A box alarm was transmitted bringing all North Andover fire apparatus to the scene. There is one confirmed fatality. The scene was cleared at 7:20 PM.

Thank you to our mutual aid companies along with the many state and federal resources who assisted:

- Andover Fire Rescue
- Lawrence Fire Department
- Methuen Fire Department
- Lawrence General Hospital ALS
- North Andover Police Department
- Massachusetts State Police Air Wing
- Massachusetts State Police Dive Team
- Beverly Fire Department Dive Team
- Massachusetts Environmental Police
- National Transportation Safety Board
- Federal Aviation Administration
- REHAB FIVE."-North Andover Fire Department.
