

Massachusetts State Police participate in funeral procession for U.S. Marine Corp Capt. Ross Reynolds

“The Massachusetts State Police Mounted Unit had the distinct honor and pleasure of being requested to join the funeral procession for United States Marine Corp Captain Ross Reynolds.

Captain Reynolds was killed, along with three other Marines, when their helicopter crashed during a military exercise in Norway on March 19. The procession took place from Leominster City Hall to St. Cecilia’s Church on Tuesday.

The Mounted Unit would like to thank the Leominster Veterans Services for inviting us to pay our respects. May Captain Reynolds rest in peace.

Thank you to the Worcester Telegram and Gazette for contributing to our photos.” – Massachusetts State Police.
