

Massachusetts State Police K9 Luna, Make-A-Wish Foundation create special night for kids

“The Massachusetts State Police along with community partners, Shrewsbury Police, Worcester Police, and The UMass Chen Medical School Police, collaborated with the Make-A-Wish Foundation to provide a Community Movie Night in Shrewsbury.

Community members who attended watched a screening of Zootopia, and were happy to meet our Employee Assistance Unit’s Trooper Chad Tata and K-9 Luna, as well as some of K-9 Luna’s friends, K-9 Mugsy from the Massachusetts Department of Corrections, and Gracie from The College of the Holy Cross.”- Massachusetts State Police.
