

Motorcyclist transported with advanced life support to New Bedford's St. Luke's after Lakeville accident

"Bedford Street crash injures one.

Lakeville Fire Department was alerted to a motorcycle accident in the area of Bedford St and Rhode Island Road. At the time of crash, the on-duty crew was responding to a medical emergency.

Off-duty firefighters monitoring the radio responded from their homes to the crash.

Car 1, Car 2, Ambulance 2, and Engine 1 would eventually arrive on the scene.

An adult male was transported from the scene to St. Lukes Hospital with life-threatening injuries. Due to the patient's condition, additional responders transported with the patient delivering advanced life support.

Additional firefighters were recalled and were able to retrieve fire department vehicles that were abandoned at the scene."-Lakeville, MA Fire Department.
