

# **NBHS Whaler Marching Band Uniform Drive**

The New Bedford High School Band Boosters Association is launching a campaign to raise \$50,000 to purchase new uniforms for the Whaler Marching Band. The 2015-2016 school year marks the 16th season the students have performed in regional competitions, community parades, and school events wearing the same uniforms purchased in 1999.

With little room in the school budget for this expense, the Band Boosters Association is reaching out to businesses and organizations in the Greater New Bedford community to ask for donations to the uniform fund. For over 65 years, the New Bedford High School Band has been an integral part of the Greater New Bedford community. The Band's mission is to be inspirational as well as educational, teaching students to participate actively and contribute their talents to their school and community.

We are confident that, with your help, we can find support for our young musicians from that same community. Thank you in advance for helping us reach this goal for the Band students at New Bedford High School.
