

New Bedford Emergency Overflow Shelter Open Tonight (30 Jan, 2017)

Due to the weather conditions, the overflow will be open tonight.

Guests can start to arrive at Sister Rose House (71 Division St) at 6:00pm. It is a first come, first serve basis and our capacity is 25 individuals. Guests will be offered a meal, showers and a good night's rest in a safe environment.

Any inquiries can be forwarded to Sister Rose and 1-800-homeless. On any given day that the overflow is activated, it will always be confirmed by email no later than 12pm. If the weather forecast stays as projected, the overflow could be open over the next couple of days. Thanks you for your continued support.
