Mercy Meals and More, Inc. operates New Bedford's only daily breakfast program. Meals are offered free and a donation box is available for those who are able to make a contribution. Meals are served restaurant-style with table service. We believe this respects the dignity of our guests and promotes a sense of community. In addition to meals, used clothing and books are available. Volunteers come from area faith communities and the general public. People in need of community service hours are encouraged to volunteer. An average of 100 meals are served each day at a cost of about \$2.00 per meal.
