

New Bedford Fire Department's S.A.F.E. Program educators visit Brooks Elementary School

"Firefighters Anthony Poente, Lora Brightman, Jason Hinchliffe and Michael DeSouza made their first ON SITE visit with the new inflatable fire safety house!!!

The kindergarten and first grade students learned about fire prevention & fire safety in the house. They also learned about Stop, Drop and Roll.

Thank you Brooks School for having us! The students took it all in – we hope they go home and teach everyone in their households. ??"-New Bedford Fire Department.
