

# The Greater New Bedford Home, Health and Wellness Show is here!

The first Annual Greater New Bedford Home, Health and Wellness Show will combine home improvement with health and wellness, offering local residents answers to all their household and lifestyle needs at one event, under one roof, on one day.

This is an ideal way for more than 2,000 area residents to learn about and connect with local home, health and wellness service and product providers. Businesses are provided with multiple opportunities to promote their business and showcase their expertise.

Exhibitors will be giving away hundreds of dollars worth of products and services at the event along with exclusive discounts! Enter for the chance to win a roof valued at \$6000.00 from Couto Construction and receive free medical screenings in the Southcoast Health Van.

---
