

# **New Bedford mother seeks public's help locating teenage son missing since May**

"Hi I need help to find my son! He's been missing since May 31 and I'm so worried.

I already made missing child report and gave his picture to 'Missing and Exploited Children.' Can you help me by sharing?

His name is Bruno Darosa and he is 15-years-old. We are from the north end of New Bedford and he hangs around New Bedford. He's about 5'2" inches and about 135 pounds. The last time he was seen was Brooklawn Park."-Aldina Melo.
