

New Bedford Police host 5-year old boy with spina bifida at south-end public safety complex

“Yesterday, we had the great privilege to host Joseph Aguilera, a five-year-old boy living with spina bifida, and his father at the south-end public safety complex. Joseph has an ambition to work in public safety when he gets older.

After meeting him, we have no doubt that he will be a great addition to a team someday that will be very fortunate to have him. Joseph was a great guest, and we are so grateful for all of the energy and care that the south-end patrol officers, firefighters, and animal control officers put into showing him a great time.” -New Bedford Police Department.
