

New Bedford roadwork sites for the upcoming week of March 22, 2021 – March 26, 2021

The City of New Bedford has roadwork sites for the upcoming week of March 22, 2021 – March 26, 2021 and they are as follows:

Eversource:

Eversource will be working on the gas main relays at:

- Pleasant St. working from Russell St. to Madison St.
- Calumet St. starting at Brock Ave. and working towards 19 Calumet St.
- Chestnut St. starting at Pope St. and working towards Robeson St.
- Phillips Ave. starting at N. Front St. and working towards Belleville Ave.
- Cove Rd. / County St. / Scott St. working at the intersections of Cove Rd. and County St. as well as County St. and Scott St.

Eversource will be working on replacing gas services at:

- Cove Rd. / County St. / Scott St.

Other:

- The contractor (K.R. Rezendes, Inc.) to begin work at MassDOT Project #606718, roadway reconstruction and related work (including signal installation) along a section of Hathaway Rd., Nauset St. and Mt. Pleasant St. Construction to take place during regular working hours (Monday – Friday), police details and traffic controls will be in place.

- Department of Public Infrastructure will be filling potholes city-wide on a continuous basis.
- The contractor (Baystate WinSupply) is scheduled to continue large water meter replacements at various locations throughout the city. There are no anticipated traffic controls for this work.
- Due to ongoing construction at the High Hill Reservoir residents may experience discolored water. The water is safe, and the discoloration will be temporary. We recommend allowing the water to settle for a few hours and then flushing your service line by letting the bathtub run for a few minutes until the water clears.
- The contractor (SCR Constructors) will continue site work at the future South Coast Rail station platform locations in the City. If you have questions, please email the project team at SouthCoastRail@dot.state.ma.us

**** Please note: Contractors will continue to follow guidelines and protocol regarding COVID-19 social distancing while conducting work in construction zone.**

Due to the current COVID-19 situation the Department of Public Infrastructure will be closed to the public entry. Office staff is available to assist by email and telephone.
