

New Bedford roadwork sites for the upcoming week of January 3, 2022 – January 7, 2021

The City of New Bedford has roadwork sites for the upcoming week of January 3, 2022 – January 7, 2021 and they are as follows:

Eversource will be working on the gas main relays and services at:

- Tie in gas main on Phillips Rd at Regulator Station

Other:

- MassDOT Project #608536, intersection improvements at Rockdale Ave X Allen St is wrapped up for the winter season. Contractor (JH Lynch) will be returning in March 2022, weather pending, to resume utility work and intersection upgrades.
- MassDOT Project #606718, roadway reconstruction and related work (including traffic signal installation) along a section of Hathaway Rd, Nauset St and Mt Pleasant St is wrapped up for the winter season. Contractor (KR Rezendes, Inc) will be returning in March 2022, weather pending, to resume final site work.
- MassDOT Project #606709 drainage work along a section of Kings Highway and Tarkiln Hill Rd. is wrapped up for the winter season. Contractor (PA Landers) will be returning in March 2022, weather pending, to resume site work
- Contractor (SCR Constructors) will continue site work at the future South Coast Rail station platform locations in the City. (Church St at Carlisle St and Wamsutta St at Acushnet Ave.) If you have questions, please email the project team at SouthCoastRail@dot.state.ma.us

- Due to ongoing construction at the High Hill Reservoir residents may experience discolored water. The water is safe, and the discoloration will be temporary. We recommend allowing the water to settle for a few hours and then flushing your service line by letting the bathtub run for a few minutes until the water runs clear.

Union St. Phase II Sewer Separation Project:

- Contractor (C. Naughton Corp.) will resume work, installing storm drain structures on Sixth Street between Market St and Spring St. The work will necessitate the closure of 6th St at the Union St intersection. During working hours, Union St westbound traffic will be detoured via Pleasant St and Elm St. Union St eastbound traffic will be detoured via Seventh St and Spring St. Southbound traffic on Sixth St will be detoured via Elm St and County St. Access to local business will be maintained, construction/detour signage will be posted, and police details will be on-site to assist with traffic management.

**** Please note: Contractors will continue to follow guidelines and protocol regarding COVID-19 social distancing while conducting work in construction zone.**
