

# New Bedford Snow Parking Ban – 11 Feb, 2012

The City of New Bedford snow emergency parking ban is lifted as of 9:30am today as a result of a change in the forecast.

The City of New Bedford has issued a citywide snow emergency parking ban to take effect in New Bedford as of 8:00 a.m., early on Saturday morning February 11, 2012. The citywide parking ban will remain in effect for 48-hours thereafter, unless lifted or further extended by City officials. The parking ban is designed to allow City workers to efficiently remove snow from New Bedford roadways to allow public safety vehicles and residents to travel safely.

As of Friday evening, the National Weather Service in Taunton had issued a Winter Weather Advisory for accumulating snow, in effect from 4:00 a.m. to 10:00 p.m. Saturday.

While the snow emergency parking ban is in effect, parking is permitted on the side of the street that is opposite the fire hydrants. No vehicle should be parked on the same side of the street as a fire hydrant, except on streets that are regularly posted for parking on one side of the street only. In posted areas, residents are to obey the signs as usual.

A double-sided parking ban will also take effect in both the Acushnet Avenue Business District and the Downtown Business District as of 8:00 a.m., on Saturday, February 11, 2012. This double-sided parking ban will be lifted as soon as these

business districts have been cleared. Downtown parking is available at no charge in the Elm Street and the Zeiterion Parking Garages.

Violations of this parking regulation will be subject to ticketing at \$50 per ticket and towing at full cost to the owner of the vehicle towed. The vehicle owner is also responsible for the full cost of storage for any towed vehicle.
