

New Bedford Snow Parking Ban – 26 Jan

A citywide snow emergency parking ban will be in effect in New Bedford as of 5:00pm tonight, Wednesday, January 26, 2011. This parking ban will remain in effect for 48-hours thereafter, unless further extended by city officials. The ban is designed to allow the City workers to remove the snow

more efficiently and to provide clear and safe roadways for public safety vehicles.

The public is advised that while the snow emergency parking ban is in effect, parking is permitted on the side of the street that is opposite the fire hydrants. No vehicle should be parked on the same side of the street as a fire hydrant except on streets that are regularly posted for parking on one side of the street only. In posted areas, residents are to obey the signs as usual.

A double sided parking ban will also take effect in both the Acushnet Avenue Business District and the Downtown Business District at 12:00am (midnight) tonight. This double sided parking ban will be lifted as soon as the Business Districts have been cleared. Downtown parking is available at no charge in the Elm Street and the Zeiterion Parking Garages.

Violations of this parking regulation will be subject to ticketing at \$50 per ticket and towing at full cost to the owner of the vehicle towed. The vehicle owner is also responsible for the full cost of storage for any towed vehicle.
