

New Bedford thieves steal all 4 rims and tires from car at Senior Housing Complex

"My 83-year-old father's car was vandalized in the parking lot of his senior housing complex on Riverside Ave around 2:00am Wednesday, April 11th.

Surveillance camera images show a dark-colored Jeep with 3-4 individuals get out and cause the damage. It also appears that there was a lookout vehicle too. All 4 rims and tires were taken and his window was smashed.

This happening at a senior housing building with people on fixed incomes is sad. He is not the first person to have this happen to them in that parking lot.

If you have any information or may have gotten any images from your cameras please contact the New Bedford Police Department." -Stephanie Tavares.
