Sanitation Manager – Seatrade International

Overnight, Full-Time

Are you looking for an exciting career opportunity with a progressive team of professionals in a growing company?

Seatrade International is proud to be a leading North American processor and marketer of live & value-added frozen seafood. We are seeking a Sanitation Manager to become the newest member of our Sanitation Team. The position will be based out of our facility located on the waterfront in New Bedford, Massachusetts.

You will be responsible for ensuring that all sanitation standards are met and in compliance with documented processes and procedures established in conjunction with our Food Safety requirements. You will be responsible for 10-12 Sanitation Crew members in a busy seafood processing plant.

As the Sanitation Manager, a typical shift might include the following:

- Training and directing Sanitation crew and ensuring production areas are cleaned to specifications
- Cleaning & Sanitation of seafood processing equipment according to established written procedures
- Maintaining the facility in a clean and sanitary manner; helping to ensure that safe quality products are produced
- Ensure that the facility meets or exceeds sanitation requirements
- Inspection of completed activities performed by the sanitation team prior to hand-off to production
- Completion of daily inspection forms, employee forms and monitoring of chemical usage
- Monitoring chemical concentrations used during sanitation process, and ensuring supplies are re-ordered in a timely manner
- Experience with CIP equipment a plus

This job might be for you if:

- You have the ability/inclination to work an overnight shift
- You have directed sanitation crews in the past
- You have the ability to communicate in English and Spanish or Portuguese
- You pay attention to the details. Ensuring a clean facility allows us to provide safe food to others!
- To perform this job successfully, you must be able to stand for long periods of time in a wet and cold environment.
- Offering sustainable seafood such as world class scallops, lobster, and finfish, Seatrade has built a reputation on quality and expertise. With a fully integrated vertical network and state-of-the-art facilities, the company is a seafood leader from wharf to plate.

With over 35 years as a trusted name, the company excels at customer support, education and the resource tools needed for customer training. Seatrade remains one of the world's leading suppliers of North American lobster and scallops.

A long time supporter of industry associations and a proud member of the National Fisheries Institute, Seatrade offers Marine Steward Council (MSC) CoC certified facilities.

Offering a competitive compensation package coupled with comprehensive benefits and 401k plan, this is a chance for you to take your skills to the next level with a global business representing the best of the Northeast's seafood.

All qualified applicants will receive consideration for employment without regard to race, color, national origin, age, sex, sexual orientation, gender identity, disability, veteran, or marital status, genetic information or other protected status, covered by federal, state or local law.
