

Updated Southcoast Weather Forecast for Feb. 9th 2021

This afternoon:

Periods of snow. Temperature nearly steady in the low to mid 30s. Winds ENE at 5 to 10 mph. Chance of snow 100%. 1 to 3 inches of snow expected at this time.

This Evening:

Cloudy skies early, followed by partial clearing. A few flurries or snow showers possible. Low 19F. Winds NW at 5 to 10 mph. Snow should end just after 7pm tonight.

As always drive safely and cautiously, clean off your car and turn on your headlights during the day if there is inclement weather. Its the law.
