

# UWGNB seeks volunteers for annual Day of Caring, Sept. 11

*Make a difference by volunteering!*

The United Way of Greater New Bedford's annual Day of Caring is coming up on Thursday, Sept. 11th in line with the National Day of Service. We are looking for volunteers to complete projects at non-profit agencies throughout the area. Volunteers can choose their project by visiting [volunteersouthcoast.org](http://volunteersouthcoast.org) and click on the tab at the top that says "UWGNB Day of Caring."

Projects range from landscaping and gardening to painting and organizing. There is definitely something for everyone! If someone needs help signing up or would like more information they can contact me directly at the below information.

Day of Caring is only one of the events during our annual LIVE UNITED Week ( Sept 8 – 12). More details to follow shortly.
