

# Volunteers Needed to Deliver Thanksgiving Meals on Nov 26th

*Please consider volunteering to help local families!*

United Neighbors of Fall River, Partners for a Healthier Community, Southcoast Hospital Groups and the Health and Well-Being Coalition believe that every family should have a hot and nutritious Thanksgiving meal every year!

We are looking for individuals or groups who want to help our community's most vulnerable families by picking up and hand-delivering a hot Thanksgiving meal. These meals would need to be picked up in the afternoon on Wednesday the 26th (the day before Thanksgiving Day) at Charlton Memorial Hospital in Fall River. They would then need to be driven to the Somerset Super 8 Motel and / or to the Swansea Motor Inn.

If you are available and interested, please contact us with the following information:

- (2) A phone number you can be reached at on Wednesday afternoon, November 26th
- (3) Your email
