

# Whaling City Festival accepting sponsors and vendors for 2014 event

*150,000+ are expected at this year's festival!*

Are you a business that would like to reach a potential 150,000+ customers over the course of a weekend? The 46th Whaling City Festival is coming and the iconic city even is currently accepting applications for vendor tables. The event which takes place at the Veteran's Memorial Buttonwood Park July 11-13, is a city-wide favorite that features dozens of musical acts, fun events, mouth watering food, amusement rides and more.

Last year's event brought in 150,000 people to watch the piglet races, martial arts demonstrations, Zumba, wrestling, Mad Science, and many musical acts like Likk, Voices In Time, Buzzard's Blues Band. Fanelli's Traveling Amusements provided the exciting rides and games to put smiles on faces. The many food vendors keep bellies full and people happy, happy, happy.

With the extended hours this year, the festival is expected to draw an even greater crowd and this will ultimately provide a greater opportunity for vendors to generate further revenue. Prices for the ENTIRE weekend are as follows:

- **Prime:** \$300
- **Food:** \$1,000
- **General:** \$250
- **Arts & Crafts:** \$200

If you are a non-profit, food, arts & crafts or general vendor and you would like to participate in this year's Whaling City Festival download and print the application directly [here](#).
